EDUCATION

Jabalpur Engineering College

Bachelor of Technology in Artificial Intelligence and Data Science

CGPA 7.8/10

PROFESSIONAL EXPERIENCE

Ineuron Data Analyst Intern

Dec 2022-Jan 2023

- Acquired advanced skills in data analysis through hands-on experience with **Python** libraries such as **Pandas**, **Matplotlib**, and **Seaborn** during my internship at Ineuron.
- Applied statistical analysis and data manipulation to uncover patterns, trends, and valuable information, showcasing a keen understanding of **data analytics** in a real-world setting at Ineuron.

Learn Coding Python Content Creator

May 2023 - July 2023

- Developed engaging and informative Python content for Learn Coding's internship program, catering to students of varying proficiency levels.
 - Created tutorials, articles, and **interactive exercises** to enhance understanding and application of **Python concepts**, showcasing a knack for clear and concise communication.
-

PROJECTS (CURRENT)

Online Course Selling Website | Python , Django , SQLite , Javascript | [Project Link](#)

Nov 2023

- Designed and implemented a **dynamic course-selling website** using Django, a high-level **Python web framework**, to provide users with a seamless and secure e-learning experience.
- Integrated **advanced filtering** options, allowing users to easily navigate and discover relevant courses based on their preferences, enhancing the platform's usability and facilitating personalized learning journeys.

Rest API using django rest framework | Python , Rest Framework , API | [Project Link](#)

Oct 2023- Nov 2023

- Implemented a dynamic and user-friendly frontend using **JavaScript** to interact with the Django REST **API**. Enabled users to effortlessly access and retrieve information by simply hitting the **API endpoints**, fostering a responsive and intuitive user experience.

Javascript Project Collection | Javascript , Bootstrap | [Project Link](#)

Dec 2023

- Developed and implemented a **dynamic JavaScript mini project** designed to enhance practical skills, creating an interactive web component that showcases proficiency in handling user interactions and manipulating the Document Object Model (**DOM**).
-
